## February 2020: Skylark

### "Once Upon a Time" - Album Release Tour

We present the fantastical stories of Snow White and The Little Mermaid in impressionistic musical form: Sheehan's new and original scoring will blend seamlessly with Sarah Walker's narrative, stitching together an eclectic and engaging mix of existing music from Ralph Vaughan Williams, Francis Poulenc, Leonard Bernstein, Morten Lauridsen, and more.

## March 2020: Santa Fe Desert Chorale

### "Strength and Refuge"

The psalms have long been a source of comfort and inspiration to people of many faiths, woven into the cultural heritage of the Abrahamic religions. They were written not only as poetry, but as songs to be sung, and many great composers throughout history have taken the opportunity to have their own music work in partnership with these timeless words. This program includes works by Claudio Monteverdi, Johann Sebastian Bach, and Sergei Rachmaninov, as well as many other wonderful pieces in this same tradition.
